

## THE MACHINE THAT GROWS WITH YOUR BUSINESS!

The 1000DX and 1000DX-200 are both high performance machines, perfect for your growing business. This base model, low budget machine features 200 CFM on a single power cord. With performance improving options, like the Air Hog (to increase lift) or the Vacuum Booster (#7000) with pump out (to increase CFM), you can always upgrade the Speedster's performance to meet your growing needs.

AIR HOG  
COMPATIBLE

With this SPEEDSTER™  
you get these  
MYTEE advantages:

• **PERFORMANCE** •

Dual 2 Stage HP Vacuum motors provide maximum suction and air flow to make sure carpets are clean and dry fast.

• **CONVENIENCE & SAFETY** •

The detachable 50' extension cords are safety yellow for visibility. Waist high switches and easy access components improve labor time and energy. The bucket high drain valve makes disposal of waste water a cinch.

• **DURABILITY** •

The Speedster's high quality, rotomolded polyethylene housing resists denting, cracking and rusting.

• **POWER** •

The 1000DX has a powerful 100 PSI pump. The 1000DX-200 has a 250 PSI pump for even greater pump power.

• **VALUE** •

At Mytee we stand behind all our products. The Speedster is backed by a factory warranty and nationwide service network.

MYTEE . . . BUILT TO LAST!
