

# SPEEDSTER™

EXTRACTOR

## SOME LIKE IT HOT!

The 1001DX & 1001DX-200 add a 2000W heater to the Speedster's basic cleaning package. The heater is split between the two power cords to provide maximum versatility - run either 1000 Watt or 2000 Watt. An industry first.

With the SPEEDSTER™  
you get these  
MYTEE advantages:

### • PERFORMANCE •

The 1001DX series provides a great combination of a 100 or 200 PSI pump with a "hot" 2000 Watt in-line heater which provides awesome cleaning power to break up all the scum and dirt.

### • CONVENIENCE AND SAFETY •

These models includes a circuit detector light to help locate the power you need and non-marking rear wheels & swivel casters to make this machine very operator friendly.

### • POWER •

This 12 gallon unit is packed with dual 2 stage high performance vacuums with 200 CFM & a 2000 Watt in-line heater.

### • DURABILITY •

The Speedster's high quality, roto-molded polyethylene housing resists denting, cracking and rusting. The switches are protected with waterproof covers.

### • VERSATILITY •

The 100 PSI pump or the adjustable 250 PSI pump with the 2000 Watt in-line heater will get the job done, no matter what the size.

### • VALUE •

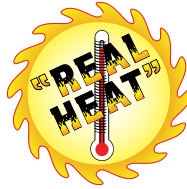

At Mytee we stand behind all our products. The Speedster is backed by a factory warranty and nationwide service network.

MYTEE . . . BUILT TO LAST!
