Hot stuff

The new Mytee Lite™ is changing the cleaning industry. How? By making it possible to do all the things a full size extractor can do, in a unit you can carry with one hand. At 3 gallons, it's the perfect upholstery spotting machine that can also do small detailing jobs effectively. It includes an on-board heater for maximum effectiveness. Goes anywhere, and cleans anything.

PERFORMANCE

The 1000 watt in-line heater provides hot water, ensuring that grease and dirt are broken up quickly.

CONVENIENCE AND SAFETY

The 8070's single 25' power cord is easy to handle, and the machine features a built-in cord wrap, so that it will not become a trip hazard.

VERSATILITY

With the optional floor wand, the 8070 can be used for small carpet cleaning jobs.

COMPACT SIZE

The 8070 can be easily stored and transported due to its convenient three gallon capacity tanks and easy-push handle.

EFFICIENCY

The 8070 is so efficient it can maintain heat comparable to most of our competitor's dual cord units.

- 1 EASY OPEN LID
- 2 STORAGE BASKET
- 3 VACUUM INLET
- 4 CORD WRAP
- 5 HANDY CONTROLS (back)
- 6 SOLUTION INLET
- 7 6" DURABLE POLY WHEELS

At Mytee, we stand behind our products with service and warranties. The 8070 Mytee Lite™ is backed by a lifetime limited factory warranty and nationwide service network.
