

***R&B Wire Products, Inc.***

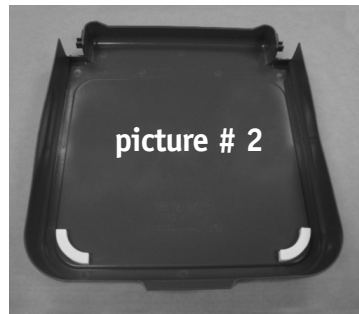

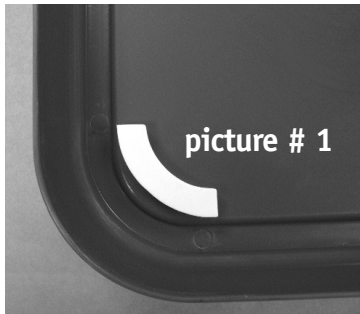

## **ASSEMBLY INSTRUCTIONS**

### **602 REPLACEMENT LIDS**

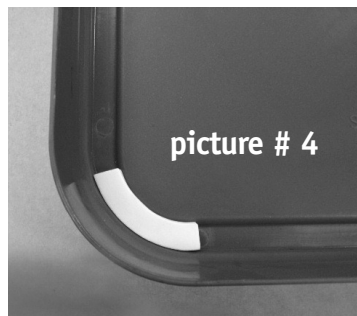

#### **NO TOOLS REQUIRED**

The replacement lids you are receiving have 2 Lid Pads that have been included for you to install. Depending if you have a Wire hamper or a Tubular hamper will make a difference on where the Lid Pads are installed.

- 1) **Hampers with bag locks:** This will include models 697 and all of the 670 and 680 series hampers. The Lid Pads should be installed above the lower groove in the corners of the Lid. See picture # 1. Install both Lid Pads in the same place on opposite sides of the lid. See picture # 2. Peel back the protective backing and place the pads as instructed.

- 2) **Hampers with bag holders:** These will include models 692 and 694. The Lid Pads should be installed in the lower groove in the corners of the Lid. See picture # 4. Install both pads in the same place on opposite sides of the Lid. See picture # 3. Peel back the protective backing and place the pads as instructed.

**Your Lid is now ready to install onto your hamper.**
