### **One pass cleaning on almost any surface.**

The TRACKER SC-9 makes quick work of large jobs. Its durable, cast aluminum powerhead allows you to spray, scrub, and extract in a single pass. This 9 gallon self contained unit is not just for carpets with its unique glide, it also easily cleans tile and grout.

### **PERFORMANCE**

The TRACKER SC-9 has a powerful vacuum motor, coupled with a 1/3 high performance brush motor for maximum extraction.

### **EFFICIENCY & VERSATILITY**

The SC-9, with it's 17" cleaning path, PTFE glide and aluminum power head allows you to spray, scrub and extract either carpets or hard surfaces in a single pass.

### **DURABILITY**

The high quality roto-molded housing resists cracking, denting, and rusting. The wheels and casters are non-marking and chemically resistant, and the switches are protected by waterproof covers.

- ❶ EASY OPEN LID
- ❷ HOOK UP FOR OPTIONAL HOSE AND TOOL
- ❸ 8" DURABLE POLY WHEELS
- ❹ HIGH QUALITY ALUMINUM HEAD

At Mytee, we stand behind our products with service and warranties. The Tracker™ SC-9 is backed by a lifetime limited factory warranty and nationwide service network.
