Canister Vacuums Little Hero

Powerful Small Canister Vacuum on Wheels

The Oreck "Little Hero's" compact design, powerful suction, and low maintenance disposal system provides a great solution for when an extra vac is needed. The Little Hero is a handheld canister with wheels that puts dust busters to shame! It is ultra-portable and super-powerful. It has 3 foot extension hose, and suction control provides versatility for all surface types. It also has 2-in-1 floor tool and two extension wands for those hard to reach places and a 15 foot power cord with cord rewind and a carry handle for easy use. Permanent wheels for easy maneuverability (2 rear wheels with a steering wheel).
