

Cleaner/Degreaser

FLOOR CARE

Cleaner/Degreaser is a heavy-duty, pine-scented, powdered cleaner. It removes grease and stubborn soils with ease.

Cleaner/Degreaser is especially compounded for cleaning and deodorizing concrete floors where traffic is heavier and where grime, grease, and other soil may be embedded.

Cleaner/Degreaser contains no soap, so there are no soap residues to make floors slippery when wet. Use it in factories, garages, filling stations, warehouses, waiting rooms, restrooms, and locker rooms.

Cleaner/Degreaser
ST-728, 2.5 oz. pack

ST-No.	UPC No. Mfg. No. 071206	Case Size	Case Weight	Cases/Pallet
ST-728	008640	72 x 2.5 oz. packs	13 pounds	72

Directions

For heavy-duty cleaning and degreasing, use one pack of *Cleaner/Degreaser* for each two gallons of water used. Yellow-orange powder turns fluorescent yellow-green when dissolved in water. After application, rinse and let dry.

For floor cleaning, use one pack of *Cleaner/Degreaser* for each 5 gallons of water used. After application, rinse and let dry.

DO NOT USE ON PAINTED SURFACES.

Ingredients

The primary ingredients in *Cleaner/Degreaser* are grease cutters, phosphates, and silicates.

Chemical Characteristics

Abrasive.....	yes
Appearance.....	yellow-orange powder
Biodegradable.....	yes
