

1/3 HP MULTIPURPOSE AIR MOVER / DRYER WITH DAISY CHAIN (ABS)

X-600A

The XPOWER X-600A is powerful air mover that speeds up the drying process for water damage restoration professionals. The X-600A is an energy-efficient air mover which draws 3.8 amps allowing Daisy Chain up to 3 units together using on-board GFCI outlet and eliminating the need of an extension cord. The X-600A is compact and super lightweight for easy mobility and is manufactured with state-of-the-art technology to ensure performance and many years of service. The X-600A air movers help you get every job done quickly and correctly.
