

**Product Description:**

- Glove Box Dispenser - Space Saver - Double
- Holds two boxes of gloves
- Two-way keyholes for vertical or horizontal wall mounting
- White Powder-Coated Steel

**Primary Area for Product Usage:**

- Anywhere glove boxes are needed

**Dispenses:**

- Box(es) no larger than 5.25"W x 10.00"H x 3.75"D (13.3 cm x 25.4 cm x 9.5 cm)
- Box(es) no smaller than 3.60"W x 9.00"H x 3.00"D (9.1 cm x 22.9 cm x 7.6 cm)

**Package Specifications:**

- Package Quantity: 4 per case
- 24"L x 16"W x 6"H (61.0 cm x 40.6 cm x 15.2 cm)
- 14.0 lbs (6.4 kg) - approximated

**Product Specifications (overall external dimensions):**

- 5.60"W x 20.04"H x 3.94"D (14.2 cm x 50.9 cm x 10.0 cm)
- 2.5 lbs (1.1 kg) - approximated

**Mounting Specifications:****Related Products (each sold separately):**

- GB-068: Glove Box Dispenser - Space Saver - Triple (shown below)

## Installation

Always mount dispensers securely *prior* to loading with product.

- Vertical build and top load accommodate narrow space availability.

- Mount securely to a wall with screws approved and supplied by building maintenance.

### Parts included:

- Dispenser

### Tools Required:

- No tools required to assemble dispenser

## Care and Construction

Powder-Coated Steel

### Material Characteristics

### Designed for Long-Term Use

Our steel dispensers and stands are coated with polyester powders which makes them highly resistant to corrosion.

Powder-coated steel is ideal for dispensers used in a healthcare or an industrial setting because it is impact resistant and is not affected by extremes in temperature.

Dispensers and stands made of powder-coated steel are both attractive and functional, providing years of service.

### Care and Cleaning

For best results, clean by washing the surface with a diluted solution of a mild, non-abrasive detergent in cold or warm water and a non-abrasive cloth. Standard hospital cleaning supplies can be used.

Dry with a soft cloth. Do not use any solvent-based materials, abrasives (e.g. Scotch-brite, steel wool), or apply excessive force during cleaning.
