

PLUG-IN AIR PURIFICATION

Reduce annoying odors with pureAir 50, a plug-in air purifier for your bedrooms, bathrooms, offices, or other small spaces. Odors caused by bacteria, pets, cigarette smoke, mold, and mildew are all reduced with the effective purifying combination of activated oxygen and ionization.

Portable purification! Its small size is perfect for travel, allowing you to purify the air anywhere! Simply plug it in and turn the dial to your desired level of purification. The solution for stale, stinky air pollution is just an outlet away!
