

pureAir FRIDGE reduces embarrassing odors by purifying the air within your refrigerator. Using ionization and ozone technology, pureAir FRIDGE cuts odors caused by bacteria and neutralizes pesticides. Produce even stays fresher longer because pureAir FRIDGE diminishes ethylene gas from decaying food. Enjoy freshness every time you open the door, no baking soda required!

Powered by a rechargeable lithium-ion battery and equipped with photosensor technology, pureAir FRIDGE intelligently displays a battery life notification LED light and activates a pleasant audible alarm when it's time to charge. pureAir FRIDGE is simple to maintain and clean, and a 4 hour charge will purify your fridge for up to 24 days (charging cable included). Smaller than a soda can, pureAir FRIDGE is easy to place anywhere in your fridge.

Benefits of pureAir FRIDGE

 Reduces Foul Fridge Odors

 Extends the Life of Your Food

 Neutralizes Pesticides

 Rechargeable Long-Lasting Battery

 Audible Battery Notification

 Easy to Use; Easy to Clean

Features & Specifications

Unit

- Dimensions: 3.44" H (87.4mm) x 2.875" W (73mm) x 2.875" D (73mm)
- Weight: 4.41 oz (250g)
- Effective Area of 17.7 ft.³
- Activated Oxygen (Ozone) Output: 3mg/h
- Warranty: 1 Year Limited Warranty

Technologies

- Activated Oxygen (Ozone) & Ionization - Activated oxygen and negative charges are propelled into the fridge to reduce odors and other contaminants.
- Battery Notification - When your battery is expired, and fridge is opened, an audible alarm and LED indicator will activate.
- Energy Efficient Operation - 5 minutes of purification every hour provides results with less energy.

Packaging

- UPC: 855819003274
- Dimensions: 7.75" H (197mm) x 4.7" W (119mm) x 3.25" D (82.5mm)
- Weight: 10.5 oz (298g)

Power

- Power: DC 5V, Lithium Battery
- USB Micro Cable Included
- 2800mA Hours
- Battery Life: 18-24 Days

To Use This Product Correctly

- Read All Instructions Carefully in User Manual Before Operating Purifier.
