

# Klenzor™ 16 & 18MPH

---

## The Klenzor™ family of self contained portable extractors feature:

- Single spray jet technology
  - Tool-free vacuum shoe and brush removal
  - Brush can be lifted off floor during storage
  - Built-in utility storage bag
  - Ergonomically adjustable handle
  - Constant acceleration laminar flow vacuum shoe
- 

---

## IDEAL APPLICATIONS INCLUDE:

- Schools and Universities
  - Commercial Office Space
  - Retail and Malls
  - Hospitality and Gaming Facilities
  - Healthcare Facilities
  - Government Facilities
  - Restaurants
- 

**Self Contained Extractors**

**KENT**

## Higher Productivity with Rapid Dry Time

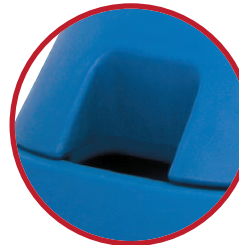

The Kent Klenzor™ self contained portable extractors are available in either 16 or 18 inch cleaning paths. The unique aerodynamically designed vacuum shoe leaves carpets dryer so foot traffic can get back on the floor sooner. Laminar flow technology provides constant acceleration through-out the vacuum shoe reducing turbulence and increasing water pick up so carpets are left cleaner and dryer.

Both Klenzor™ models utilize single deflector spray jet technology. A single spray jet ensures even water and chemical coverage across the cleaning path. This eliminates the potential problem of uneven cleaning and streaks.

The Klenzor™ 18MPH (Multi-Position Handle) features dual method cleaning with one machine. The adjustable handle can be positioned in the pull back mode or edge extraction mode for detailed extraction in small areas. The multi-position handle can also be flipped over to the front of the machine to convert the Klenzor into a walk-behind extractor for extracting hallways and large expanses of carpet.

*Ergonomic adjustable handle on the Klenzor™ 16*

*Fill the Klenzor™ 16 without removing the recovery tank*

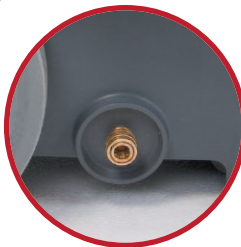

*Tool free removal of brush and vacuum shoe*

*Quiet, Clean Operation*

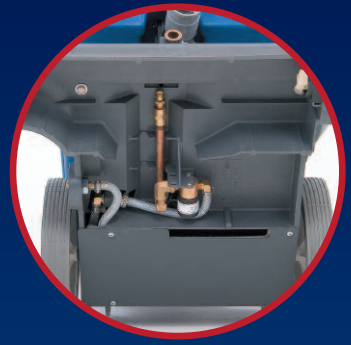

*Utility bag keeps supplies handy*

*Optional quick connect for spotting upholstery tool or wand*

*Fully variable carpet height adjustment*

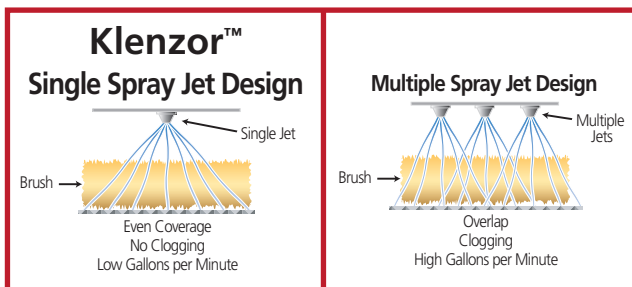

*Single deflector jet technology ensures even coverage without overlaps or streaking*

*Intuitive controls reduce training which results in consistent cleaning*

*Recovery tank cover has built in cyclonic foam buster*

**Simple Cleaning Solutions**

## ACCESSORIES

Item	Part #
Hard floor kit converts Klenzor™ extractors into an automatic hard floor scrubber	56 265 150
16 inch nylon hard floor brush for lighter scrubbing	56 265 175
16 inch MidGrit™ 240 hard floor brush for aggressive scrubbing	56 265 176
18 inch nylon hard floor brush for lighter scrubbing	56 265 177
18 inch MidGrit™ 240 hard floor brush for aggressive scrubbing	56 265 178
Light duty soft floor wand assembly	56 262 209
Heavy duty soft floor wand assembly	56 265 173
Heavy duty soft and hard floor wand assembly	56 314 402
Hand tool for upholstery	56 220 070
Hand tool general purpose	56 220 109
