

# DuraVac® 152

## Dual-motor Upright Vacuum

The DuraVac® 152 dual-motor upright carpet vacuum cleans a 13.5 inch (34 cm) path, shaking loose and drawing out imbedded dirt and grit that shorten carpet life.

Five-stage filtration on the DuraVac® 152 keeps dirt and dust under control. It begins with a two-ply 244 cubic inch (4 liter) paper filter/collector bag. (An optional cloth filter/collector bag is available.) The vac motor is filter protected so it will last longer. The final filter is a hospital grade filtration media that protects your indoor air quality by filtering to 0.1 microns and exhausting only clean air. Sound insulation also keeps the DuraVac 152 hospital quiet, at only 69 dB A.

With two-motor design, separate motors drive the brush and the vacuum. The 5,800 rpm chevron bristle brush is removable, and is motor-driven by a gear belt that won't slip or wear out.

The reach-under design allows the DuraVac 152 to lie completely flat for vacuuming under furniture. Light handle weight and carrying handle makes it easy to use and transport.

For efficiency and convenience, the DuraVac 152 has a built-in hose and wand that permits off-the-floor cleaning. A round dusting tool is stored on board.

### The DuraVac® 152

is perfect for...

- Offices
- Schools
- Hotels/Motels
- Healthcare Centers
- Retail Outlets
- Restaurants

# TECHNICAL SPECIFICATIONS

<b>Vacuum Motor</b>	1 hp, 115 V/60 Hz, 720 W, 2-stage, 88 c.f.m. (2,492 L/min), 53 in (135 cm) sealed waterlift w/1.5 in (38 mm) orifice. Includes thermal overload protection.
<b>Brush Motor</b>	0.24 hp, 115 V/60 Hz, 150 W, electronic overload protection on brush motor.
<b>Brush Speed</b>	5,800 rpm, driven by toothed timing belt.
<b>Brush</b>	13.5 in (34 cm) length x 2.6 in (6.6 cm) dia. Single row nylon bristles in a 360° chevron pattern, with variable brush height.
<b>Brush Roll Bearings</b>	(2) double ball bearings.
<b>Total Power</b>	115 V/900 W, 8.3 amps.
<b>Cleaning Width</b>	15 in (38 cm)
<b>Air Filtration</b>	5-stages, 2-ply paper filter bag, inlet foam filter, carbon brush exhaust filter, electrostatic exhaust filter.
<b>Bag Capacity</b>	2-ply filter bag has 244 in <sup>3</sup> (4 L) capacity.
<b>Power Cable</b>	40 ft (12 m), 18/3 wire, double insulated
<b>Sound Level</b>	69 dB A both motors running.
<b>Weight</b>	Net 19 lb (8.6 kg) / Shipping 23 lb (10.4 kg)
<b>Width (o/a)</b>	15 in (38 cm)
<b>Length</b>	52.5 in (133.4 cm) when lying flat
<b>Height</b>	47 in (119 cm) when upright / 5 in (12.7 cm) when lying flat
<b>Part Number</b>	56 010 923

Specifications are subject to change without notice.

## Standard Accessories Include

- 4:1 Stretch Hose
- 36 in (91 cm) Wand
- Round Dusting Tool

*The DuraVac® 152 lies flat on the floor to reach under nearly every object in the room.*

*Easy to access, and easy to remove with one hand. Changing the micro-filtration filter is a snap.*

*Bag changes are fast with pull-down bag compartment cover.*

*5,800 rpm motorized carpet brush is driven by a toothed timing belt that can't slip. Dual ball bearings are protected for long life.*
