

ReliaVac® 12/12DC/12HP/16HP

High-Performance Upright Vacuums

The Euroclean ReliaVac® upright vacuums are easy to maneuver, strong on power and designed for fast, low cost serviceability. With simple to clean fan covers and ergonomic handle grips the ReliaVac vacuums are easy to use. A variety of features give you an upright for every application. Choose from the durable ReliaVac 12 or the ReliaVac 12DC that features a dirt cup system that ends messy bag emptying.

The Euroclean ReliaVac 12HP and the ReliaVac 16HP deliver powerful heavy-duty performance for even the most demanding carpet vacuuming challenges, including headlights to illuminate work areas. Strong motors and tough, durable brush roll assemblies break the hold carpet fibers have on deep-down dirt for the utmost in cleaning power.

Two widths – 12 inch and 16 inch – plus a variety of features give you the power and pickup you need for every application. The ReliaVac series of vacuums give you an upright for every application.

The ReliaVac® models are perfect for...

- Hotels and Motels
- Restaurants
- Healthcare
- Contract Cleaning
- Office Buildings and Institutions
- Schools and Universities

Top-fill bag won't rob vacuum power and uses either re-usable cloth bag or disposable paper bag (Microstat® filter bag optional.)

Adjustable handle for operator comfort

50 ft (15 m) safety yellow cord

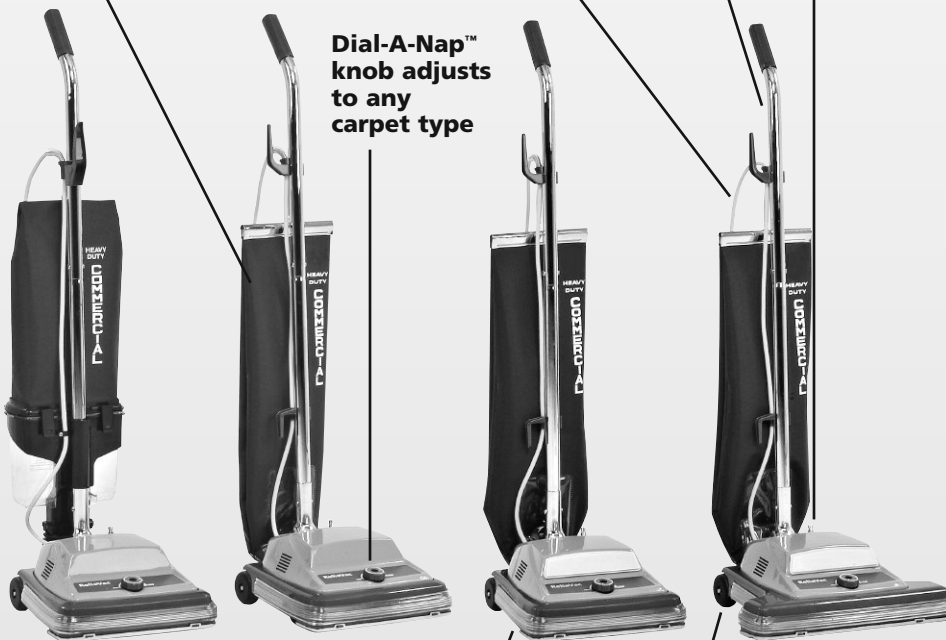

Chrome-plated steel on/off switch stands up to years of heavy use

Dial-A-Nap™ knob adjusts to any carpet type

Wrap-around vinyl bumper protects furniture and walls

Dual side-suction ports provide efficient edge cleaning

Large outboard wheels roll easily over any carpet

Euroclean
