

# UZ 934 & UZ 934-H

## Lightweight Canister Vacuums

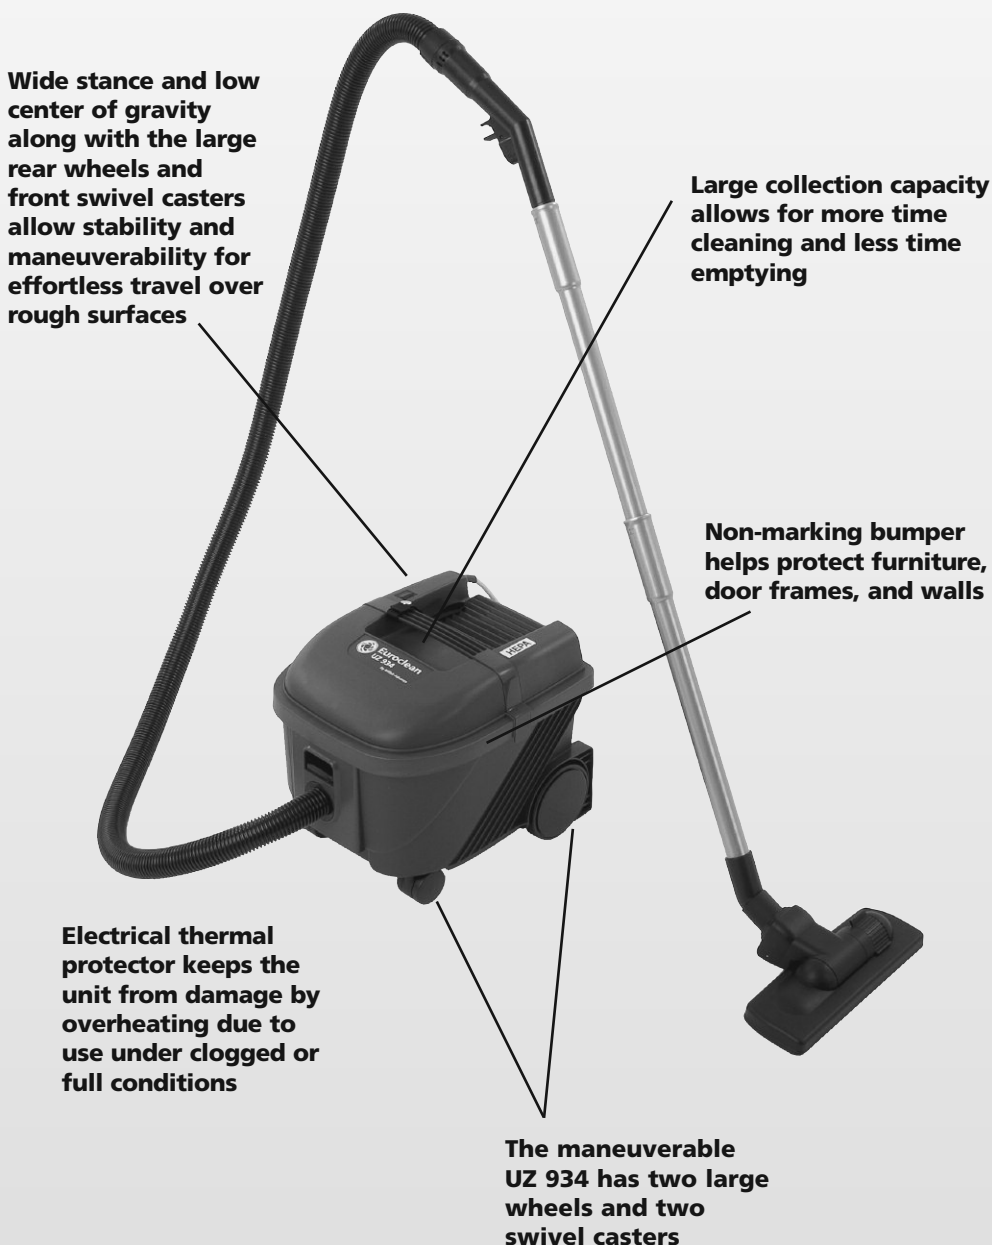

The Euroclean UZ 934 and UZ 934-H dry pick-up tank vacuum cleaners give you power and durability in an economical, lightweight machine. Perfect for the contract cleaner, the UZ 934 provides reliability you can count on.

Three separate filtration systems – pleated filter, filter bag and exhaust filter – help assure cleaner Indoor Air Quality. A H.E.P.A. filter is standard on the UZ 934-H model.

Quiet, easily maneuverable on hard floors or carpets, and extremely powerful with a thermal-protected 1,000-watt motor, the UZ 934 an all around answer for nearly every cleaning need.

### The UZ 934 and UZ 934-H are perfect for...

- Offices
- Schools
- Hotels / Motels
- Healthcare Centers
- Retail Outlets
- Restaurants
