

SPEEDSTER™

EXTRACTOR

HIGH POWER . . . LOW AMP DRAW!

The Speedster model 1005DX features a 500 PSI high flow adjustable (50-500 PSI) pump and dual 3 stage high performance vacuum motors. Cut even the biggest jobs down to size. An outstanding feature of this unit is that all this power runs on two 15 Amp circuits. And, with the on-board circuit locator, dedicated circuits are easy to find. Clean deep, dry fast with the 1005DX.

With the SPEEDSTER™
you get these
MYTEE advantages:

• PERFORMANCE •

The 1005DX has an amazing adjustable 500 PSI pump and dual 3 stage high performance vacuum motors which provides awesome cleaning power.

• CONVENIENCE & SAFETY •

The 1005DX has built in circuit detector to help you locate the power you need. The detachable 50' extension cords are safety yellow for visibility. Waist-high switches and easy-access components eliminate bending and ease operation.

• DURABILITY •

The high quality roto-molded housing resists cracking, denting, and rusting. The wheels and casters are non-marking and chemically resistant, and the switches are protected by waterproof covers.

• VERSATILITY •

The solution pump is fully adjustable, and can operate anywhere between 50 and 500 PSI, which makes it perfect for everything from carpets to delicate upholstery.

• VALUE •

At Mytee, we stand behind our products with service and warranties. The 1005DX is backed by a factory warranty and nationwide service network.

MYTEE . . . BUILT TO LAST!
