

Contractors Special™

The total package.

Everything you need in one package for tackling your toughest carpet and upholstery cleaning jobs. The Contractor's Special - designed for the busy professional. The "CS" is:

- Powerful – It features a 120 PSI diaphragm pump, and powerful vacuum motor.
- User-friendly features – Including waist-high switches, easy-open lid, bucket-high drain and non-marking wheels.
- Durable – With a tough roto-molded polyethylene housing that resists rusting and denting. Covered by a limited lifetime warranty.

The "CS" includes a 15' "crush-proof" hose set, as well as a quality 12" stainless steel dual jet carpet wand. All at a price that can't be beat. Take advantage of this great package deal!
