Two for the price of one!

With the flip of a switch, the M-12 changes from a powerful 1200 PSI pump for hard surfaces or touchless cleaning to a durable 250 PSI pump with a 2000 watt, 210 degree heater for carpets and upholstery. The auto fill and pump-out features make this the most flexible and powerful unit available in the industry.

POWER

A fully adjustable 50-1200 PSI powerful pump for cleaning tile and grout and a 250 PSI pump for carpets and upholstery.

EFFICIENCY

Auto fill and pump out system means no more stopping in the middle of jobs to empty and fill tanks.

DURABILITY

The high quality roto-molded polyethylene tanks will stand up to years of use. The non-marking 12" wheels are chemical resistant. The 4" swivel casters make this unit easy to maneuver.

CONVENIENCE

All-in-one unit. Cleans tile, grout, carpet, upholstery, kitchens and restrooms.

VERSATILITY

Utilize the unique blower attachment for touchless surface cleaning.
