

Reflection 25

High Solids - High Performance Floor Finish

Reflection 25 is a high solids and high performance floor seal and finish designed for use with any floor maintenance system. Extra durable, deep brilliance, and rich, clear gloss provides a long-lasting mark resistant coating on vinyl, linoleum, and other resilient floors. Excellent on terrazzo and other hard floors. Withstands repeated buffing and burnishing including propane machines. Ideal for high traffic areas where appearance is important.

DIRECTIONS

Read the entire label and SDS for proper use, handling and storage before using this product.

Application: For best results, floors should be clean and/or old coatings removed and the floor neutralized.

1. Apply finish in full uniform coats.
2. Allow to dry before recoating.
3. For maximum performance, apply additional coats of finish until the desired level of appearance and protection is achieved.
4. Allow to dry thoroughly before reopening up area for traffic.

Buffing: This finish can be spray buffed or high speed buffed. Follow directions of buffing compound.

Stripping: This finish can be removed using a high quality Nyco stripping solution.
