

Blaze 12

Cleaner Degreaser

Blaze 12 is a maximum strength butyl-based cleaner and degreaser. Penetrates and dissolves heavy greases, oils, and tough carbonized soils. Highly concentrated. Dilutes to meet virtually any cleaning job. Superior cleaning on a variety of surfaces. Blaze 12 can be used for spray and wipe cleaning, in automatic scrubbers, and with pressure washers.

DIRECTIONS

Read the entire label and SDS for proper use, handling and storage before using this product.

Test surface for compatibility before use. Do not allow to dry on glass surfaces.

Dilute solution according to the degree of soil and method of cleaning. Recommended dilution ratios of cleaner to water are as follows:

Light soil: 1:128.

Medium soil: 1:64.

Heavy soil: 1:32.

Pressure washing: adjust dilution as needed up to 1:256.
