

# Multi-Purpose Beaded Detergent

Fast-acting beaded powder. Cleans dishes, floors, walls, pots & pans. High performance cleaning in kitchens, public areas, storage rooms, and exterior surfaces such as sidewalks, awnings, etc. Use as a laundry detergent for linens and rags. Multi-Purpose Beaded Detergent cleans soils from quarry tile, grout, concrete, and finished floors. More detergency per cup compared to older style dense powders. Use with mop/bucket or deck brush applications.

## DIRECTIONS

Read the entire label and SDS for proper use, handling and storage before using this product.

**Hand dishwashing:** Add ¼ cup per gallon of warm water.

**Glass washing:** Add ¼ cup per gallon of warm water.

**Pots and pans:** Add ½ cup per gallon of warm water.

**General cleaning:** Add ¼ cup per gallon of warm water.

### Cleaning lightly soiled floors:

1. Add ½ cup to 4 gallons of hot water.
2. Damp mop floor.
3. Rinse with fresh water if necessary.

### Cleaning heavily soiled floors:

1. Add 1 cup to 4 gallons of hot water.
2. Damp mop floor.
3. Rinse with fresh water if necessary.

### Deck brushing:

1. Add 2 cups to 4 gallons of hot water.
2. Spread solution with mop.
3. Scrub floor thoroughly with deck brush. Let stand for 1 minute.
4. Squeegee to drain or pick up with mop.
5. Rinse with fresh water if necessary.
