

Citra-Blaze 535

Cleaner Degreaser

Citra-Blaze 535 is a fast-acting degreaser containing a citrus solvent for the toughest cleaning jobs. This concentrated water-based degreaser is the industry standard for performance. Quickly cuts through heavy buildups of dirt, oil, grease, grime, ink, and food soils. Universal in applications, Citra-Blaze 535 can be used for industrial cleaning, concrete and quarry floor scrubbing, food service/kitchen cleaning, duct cleaning, food processing, pressure washing, engine degreasing, parts washing, spray & wipe cleaning, and more. Safe for use on metal, glass, plastic, and fiberglass.

DIRECTIONS

Read the entire label and SDS for proper use, handling and storage before using this product.

Test surfaces for compatibility before use. May attack some latex paint.

Dilute solution according to the degree of soil and method of cleaning. Recommended dilution ratios of cleaner to water are:

Light soil: 1:40.

Medium soil: 1:20.

Heavy soil: 1:10.

Pressure washing: adjust dilution as needed up to 1:256.

FAST FACTS

- Super strength
- Universal applications
- Cuts through heavy buildups
- Removes grease, oil, tar, ink, rubber marks
- Loosens and removes carbonized soils
