

Pine Odor

Disinfectant, Cleaner, Deodorant

EPA Reg. No. 6836-168-8370

Pine Odor is effective against gram-positive and gram-negative bacteria and is especially effective in controlling odors that are bacterial in origin. Use Pine Odor for cleaning and deodorizing and for one-step cleaning and disinfecting. Use in hospitals, nursing homes, healthcare facilities, restaurants, bars, schools, colleges, athletic facilities, locker rooms, bathrooms, public facilities, and veterinary offices.

Pine Odor is effective against the following:
