FEATURING PRODUCTS FOR THE COIN LAUNDRY

STANDARD LAUNDRY CARTS

100E

100E STANDARD LAUNDRY CART

- 2½ Bushel Capacity

The standard of the industry – built for years of service. This product is used by the majority of America’s coin laundry, on-premise and commercial laundries. Comes standard with chrome basket and base. This unit is equipped with R&B’s proprietary 5" **Clean Wheel System** – the only caster that prevents lint and thread pick up. Basket dimensions: 26¾"L x 22"W x 11"D. Total unit height is 27".

AVAILABLE FINISHES

E Basket Finish Options
All baskets come standard in chrome or you have the option to select a durable copolymer coated finish. These color options are available on all 100E and 350E series carts only.

100CRTHNDLE

100E WITH HANDLE

– 100CRTHNDLE

R&B offers the convenience of a handle that will work with our 100E cart to allow for comfortable transporting of the cart. You can use this handle with our single pole rack if you need hanging capabilities. The handle is designed to lock in place through the existing base to basket holes and comes with the necessary bolts. The handle is chrome plated and has an 8" elevation above the basket rim and with a comfortable 13" width. Made of a sturdy 7/8" round tubing this handle has excellent strength.

LAUNDRY CART REPLACEMENT PARTS

88G "CLEAN WHEEL SYSTEM"

5" diameter tapered wheel crafted from gray polyurethane with our proprietary thread guard. Fits 7/8" round tubular carts only. Two mounting bolts and nuts included.

NOW THE INDUSTRY STANDARD!

87G 4" GRAY MEGA-CASTER

4" diameter wheel crafted from gray polyurethane. Fits 7/8" round tubular carts only. Two mounting bolts and nuts included. NOTE: 4" Mega-Caster will not fit old style 3/4" square tubular carts.
