AIR FRESHENER/ODOR CONTROL

Neutralize odor in any indoor environment. Spray fresh-scented solution into air in restrooms, schools, hospitals, daycare centers, nursing homes, and more. Leaves area naturally clean and fresh smelling. Spray solution on carpets, fabrics, or hard surfaces to attack odors at their source.

Directions

ST-807 ONE PACKS

Mix each pack with one quart of water in trigger spray bottle. Spray as needed to freshen air and deodorize surfaces.

ST-819 QUIK TANK

Mix contents of two 10-ounce packs with water in the 5-gallon Quik Tank container to make 5 gallons of ready-to-use *Air Freshener*. Agitate to mix. Fill the trigger spray bottles from the Quik Tank container. Spray on area to deodorize. Allow to air dry.
