Personal Protective Equipment: 1. Wear protective gloves.
 2. Wear protective eyewear.

Unused Product Disposal: Unused product or its solutions may be poured down the drain. Never pour unused product or its solutions down an outdoor drain.

Improper dilution or improper use of this product may result in skin and eye irritation, damage to surfaces and unsatisfactory cleaning performance.

Pack Recycling: Empty packs should be rinsed out with cold water and then placed for recycling where accepted.

FLOOR CARE

Neutral Cleaner Concentrate is a mild concentrated cleaner designed for mopping floors and for cleaning all washable surfaces. It contains no caustic, abrasive or harsh ingredients that mar fine floor finishes.

Neutral Cleaner Concentrate dissolves completely in hot or cold water and works equally well in hard or soft water. It leaves floors sparkling clean without a film or any streaks.

NSF Certified C1.

Directions

Empty the contents of a *Neutral Cleaner Concentrate* pack into warm water (see dilution ratios below). Use for cleaning walls, floors, or on any washable surface. Apply manually or use with automatic scrubbing equipment.
