Personal Protective Equipment: 1. Wear protective gloves. 2. Wear protective eyewear.

Unused Product Disposal: Unused product or its solutions may be poured down the drain. Never pour unused product or its solutions down an outdoor drain.

Improper dilution or improper use of this product may result in skin and eye irritation, damage to surfaces and unsatisfactory cleaning performance.

Pack Recycling: Empty packs should be rinsed out with cold water and then placed for recycling where accepted.

RESTROOM CLEANER

Restroom & Bowl Liquid Concentrate is non-corrosive and free of harmful acids. It will clean toilet bowls, urinals, tile walls, tubs, and sinks with ease and safety. The concentrated liquid detergent will break down and remove daily accumulations of soils, limescale, and urinary salts with its high-foaming action, leaving a fresh fragrance.

Dilutions

ST-816

Toilet bowl: Pour one 2-ounce *Restroom & Bowl Liquid Concentrate* pack into quart dispenser bottle and fill with water. Spray or squirt into toilet bowl and scrub with brush or johnny mop. For extreme buildup, add contents of one 2-ounce pack directly to the toilet bowl and agitate.

Urinals, tile walls, tubs, and sinks: Add one 2-ounce pack into quart dispenser and fill bottle with water. Spray and wipe surface.

ST-744 **QUIK TANK**

Add contents of one 15-ounce pack of *Restroom & Bowl Liquid Concentrate* to 2.5 gallons of water or add two 15-ounce packs to 5 gallons of water. Agitate to mix. Fill dispenser bottle with solution from the five gallon tank. Apply and wipe clean.
