

AC Power Adapters

Electrical Outlet Power Conversion

490099 Single Unit
490071 Multiple 6-Pk Kit
490100 Wire Assembly

**Convert from Battery Pack to AC Power -
 For TC® OneShot® Automatic Soap Dispensers
 and TC® AutoFaucets**

System Features

- Power Adapters for the OneShot® Automatic Soap System, AutoFaucet® with Infrared Sensors, AutoFaucet® with "Surround Sensor" Technology.
- Replaces "D" Cell battery pack with AC/DC wall transformer with same bayonet connection.
- System is easy to install. No hard wired power connections required.
- Wall transformer plugs directly into standard or GFCI wall power outlets. The power output cord of the wall transformer that connects to the 6-pack unit is 6 ft. long and the single adapter cord is 3 ft. long.
- Multiple 6-Pack unit accommodates three OneShot® Soap dispensers and three AutoFaucet® Units OR four each of the OneShot® Soap dispensers or AutoFaucet® Units.
- Wire Assemblies that connect the dispenser or faucet to a 6-Pack box are to be ordered individually. Each wire assembly is 5 ft. long (Part #490100).

System Specifications

- Switching Power Supply - UL Listed / FCC Compliant

Single Unit:	Input 100-120VAC 50/60Hz 0.4A Output 6VDC 2.0A
Multiple Unit:	Input 100-120VAC 50/60Hz 0.4A Output 9VDC 1.5A
- Wall Transformer

Dimensions:	3-1/8" W x 2-1/8" H x 1-1/2" D
-------------	--------------------------------
- Multiple 6-Pack

Dimensions:	5" W x 3-3/8" H x 2-1/4" D
-------------	----------------------------

- NEMA 1-15P Wall Plug Connection
- Multiple 6-Pack Circuit Protection - the Multiple 6-pack is protected for short circuits and is current limited to protect the AC switching power supply. Voltage output is restored after a short circuit is removed.

Ordering Options*

- **490099** - Single Unit 6VDC AC Adapter for OneShot®, AutoFaucet® IR, or AutoFaucet® SST (replaces "D" battery pack)
- **490071** - Six Pack AC Adapter Kit for OneShot®, AutoFaucet® IR, or AutoFaucet® SST (includes wall transformer, 6-pack distribution box, ground wire kit, and mounting hardware)
- **490100** - Wire Assembly for OneShot®, AutoFaucet® IR, or AutoFaucet® SST (replaces "D" battery pack)

*To retrofit to older versions of the OneShot® Automatic Soap Dispenser or AutoFaucet® units with a white battery box, "AA" batteries, or bi-pin connection, please contact Technical Concepts for proper Wire Assembly part number (not listed).
